The Course>>

The course is a 10K loop course with the start/finish and one aid station situated in the middle. You will pass the station approximately every 5K

The course consists of a 5.1km northern loop followed by a 4.9km southern loop

You will start on the path in front of the Pavillion and head north and finish from the south onto the lawn in front of the Pavillion

On the first loop ONLY, the ½ marathoners will run an extra 550metres north past the 5.1km turnaround whilst the full marathoners will run an extra 1.1km north past the 5.1km turnaround. There will be orange cones to mark ALL turn-around points and yellow paint markers on the path. Each loop thereafter both the half and full marathoners will turn at the 10km turn point. The 3km & 5km races will be explain at the race briefing

Each yellow turn-around marker will have an arrow with the race distance written

(example 5km event turn point)

The Race Director will explain in further detail the turn-around points before each race briefing

Aid Station/Toilets/Water Taps>>

The aid station is located at the start/finish which you will pass approx every 5kms. Toilets are available at the start/finish area and also about 1K both north and south. There are also several drinking fountains in each direction north near the Largs Kiosk and south near the SLSC and at the corner of Recreation Pde & Espanade

(start/finish)

Timing>>

As this is a low cost, low key event there is no timing chip but your bib and time will be recorded as you cross the finish area. Please make sure you wear your bib on the front so it is clearly visible and easy for the volunteers to record

Safety>>

Be mindful this is a shared path so please watch out for other walkers, runners, bikes, prams etc and it is advised to keep left where possible

There are 2 or 3 places along the southern loop where the path splits in two for a few metres so please always take the left option both out and back

Drop Bags>>

There will be an area at the start/finish to leave your bags but please don't leave any valuables as no responsibility can be taken for them. If you need to use your own food, drinks etc for the run you can leave them in your bags to utilize on your way through the start/finish area

MP3/iPODS>>

These devices are allowed, however please try and use only one earpiece so as you can hear other path users and instructions from marshals etc

Finish>>

Once you have crossed the finish line on the grass please keep moving forward before collecting your medal so as to not obstruct other finishers. Before finishing please make sure your bib is **CLEARLY** visible on your front so as to make it easy to record your bib number and time

Photos>>

We will be without our most awesome event photographer Ian Fagan but hopefully we will have someone or at least our volunteers to take some photos. Please remember to smile even if you are hurting. There will be the usual group photos for each distance before the race so please be ready when called over.

Presentation>>

We will have a small presentation late morning to award 1st place male & female winners with medals and also a trophy for the best representation overall of our cartoon character theme to both male & female.
