**The course is a 10km loop course with the start/finish and one aid station situated in the middle. You will pass the station approximately every 5km**

**The course consists of a 5.1km northern loop followed by a 4.9km southern loop**

**You will start on the path in front of the Pavillion and head north and finish from the south onto the lawn in front of the Pavillion**

**On the first loop ONLY, the  $\frac{1}{2}$  marathoners will run an extra 550metres north past the 5.1km turnaround whilst the full marathoners will run an extra 1.1km north past the 5.1km turnaround. There will be orange cones to mark ALL turn-around points and yellow paint markers on the path. Each loop thereafter both the half and full marathoners will turn at the 10km turn point. The 5km race will be explained at the race briefing**

**Each yellow turn-around marker will have an arrow with the race distance written**

**(example 5km event turn point)**

**The Race Director will explain in further detail the turn-around points before each race briefing**

**\*\*Just a note regarding the new Semaphore Foreshore bypass footpath around the outside of the Palais Hotel**

**Please note the change of course just north of the start/finish where the path now directs around the back (ocean side) of the Deck in front of the Palais Hotel. This will be explained on the morning**

**Aid Station/Toilets/Water Taps>>**

**The aid station is located at the start/finish which you will pass approx every 5kms. Toilets are available at the start/finish area and also about 1km both north and south**

**There are also several drinking fountains in each direction north near the Largs Kiosk and south near the SLSC and at the corner of Recreation Pde & Espanade**

(start/finish)

### Timing>>

As this is a low cost, low key event there is no timing chip but your bib and time will be recorded as you cross the finish area. Please make sure you wear your bib on the front so it is clearly visible and easy for the volunteers to record

When convenient please confirm you have a finish time recorded with our volunteers

### Safety>>

Be mindful this is a shared path so please watch out for other walkers, runners, bikes, prams etc and it is advised to keep left where possible

There are 2 or 3 places along the southern loop where the path splits in two for a few metres so please always take the left option both out and back

### Drop Bags>>

There will be an area at the start/finish to leave your bags but please don't leave any valuables as no responsibility can be taken for them. If you need to use your own food, drinks etc for the run you can leave them in your bags to utilize on your way through the start/finish area

### MP3/iPODS>>

These devices are allowed, however please try and use only one earpiece so as you can hear other path users and instructions from marshals etc

### Finish>>

Once you have crossed the finish line on the grass please keep moving forward before collecting your medal so as to not obstruct other finishers. Before finishing please make sure your bib is **CLEARLY** visible on your front so as to make it easy to record your bib number and time

### Photos>>

We will be without our most awesome event photographer Ian Fagan but hopefully we will have someone or at least our volunteers to take some photos. Please remember to smile even if you are hurting. There will be the usual group photos for each distance before the race so please be ready when called over

### Presentation>>

We will not be in need of a presentation for this event
