Aid Station/Toilets/Water Taps>>

The aid station is located at the start/finish area

There is also a toilet at the start finish which hopefully will be open this year

As this is a self supported run there are numerous drinking taps and toilets along the course but please carry your own supplies if you need anything extra

Timing>>

As this is a low cost, low key event there is no timing chip but your bib and time will be recorded as you cross the finish area

Please make sure you wear your bib on the front so it is clearly visible and easy for the volunteers to record

When convenient please confirm you have a finish time recorded with our volunteers

All times are recorded from GUN time

Safety>>

Be mindful this is a shared path so please watch out for other walkers, runners, bikes, prams etc and it is advised to keep left where possible

Drop Bags>>

There will be an area at the start/finish to leave your bags but please don't leave any valuables as no responsibility can be taken for them

If you need to use your own food, drinks etc for the run you can leave them in your bags to utilize on your way through the start/finish area

MP3/iPODS>>

These devices are allowed, however please try and use only one earpiece so as you can hear other path users and instructions from marshals etc

Finish>>

Once you have crossed the finish line on the grass please keep moving forward before collecting your medal so as to not obstruct other finishers

Before finishing please make sure your bib is CLEARLY visible on your front so as to make it easy to record your bib number and time

When convenient please check with the volunteers that your finish time is recorded

Photos>>

We presently no longer have an official event photographer (we would welcome someone willing) but hopefully we will have someone or at least our volunteers to take some photos

Please remember to smile even if you are hurting

There will be the usual group photo before the race so please be ready when called over

Presentation>>

There will be no presentation for this event

Bibs & Medals>>

“coastalfunruns” is a series of annual low cost, low key coastal fun running events held in South Australia and proudly supporting both Bravehearts & the Australian Cancer Research Foundation (ACRF)

Our costs are already the lowest in Australia and will remain so as the fixed EARLYBIRD price

We do however encourage all runners/walkers to enter as early as possible to ensure a smoother event day

Finisher medals and bibs need to be ordered at least one week from the event date to ensure they arrive on time. Online entries will remain open until 4:00pm the day before each event (unless noted otherwise)

There will be NO on the day entries

What this means is the following -

****If you enter early you are assured of a finisher medal with the correct distance engraved**

You will also receive a pre-printed bib with your name and number

****If you enter in the last seven days you may receive a generic finisher medal without the completed distance engraved. You will also receive a pre-printed bib but your name and number will be handwritten**

This will ensure everyone goes home with a medal and they will no longer be posted out

These small changes will help to make our awesome volunteers work much easier

Theme>>

There is no theme for this event

We do however encourage you to help us raise awareness about the prevention of child sexual assault by taking part and wearing your Bravehearts purple or yellow singlet/t-shirt

Any other queries please call 0402 441 277
