

*****Important update (has already been shared on all Facebook pages)***

So sorry for the late notice but we have no option but to relocate our Roadrunner Coastal event scheduled for this Sunday May 8th.

The event was approved for Port Adelaide but due to construction works still in progress, our measured course has no access along several sections.

I had no notification from any of the authorities (PAE council is not responsible for this location) re: this construction, only from a couple of our regular runners recently who had noticed the construction. I was hopeful that our course would be accessible by this weekend, but after checking onsite today, the course will be unavailable for some time yet. It is also not feasible to modify our course as there can be no guarantee that would not be affected in the coming days.

(A few construction pictures taken today can be found on our Facebook event page)

With such late notice I've decided it is best to relocate this weekend's event back to our most frequently run course at Semaphore, starting on the coastal path opposite South Tce Semaphore.

All relevant details will be emailed out to all registered participants late tomorrow. If for any reason the late change of location is not suitable, please advise and a full refund or credit to a future event of choice can be offered?

Again sorry for any inconvenience and see you at Semaphore on Sunday.

Cheers

Roadrunner Coastal

- Semaphore

Sun May 8th 2022

From bib number design to looped course layout and distances on offer this is the original low cost, low key community coastal fun running event series in South Australia.

We proudly support both the Australian Cancer Research Foundation & Bravehearts through our "running with purpose" ☺

Event Rules>>

Have fun...lots of fun!! #coastalfunruns.

*****Due to the current COVID-19 pandemic please be aware of the following restrictions in place for this event.***

Physical distancing, or social distancing principles still apply. Every person should attempt to stay at least 1.5 metres from other members of the public.

We have a Step 3 COVID-Safe Plan in place and also your COVID Marshal for this event is Chris Glacken.

Please try and keep the social distancing of 1.5 metres at all times even when on course with other runners if possible.

If it can be sourced we will also provide hand sanitiser & disinfectant wipes at the start/finish for all to use before and after your run.

Please stay home and do not attend if feeling unwell.

You will need to use your mobile to check-in to our unique QR Code using the mySA GOV app. If you don't have a mobile or the app you will need to check-in with our volunteers and leave your name and contact details. *NO LONGER REQUIRED*****

There is an 4 hour cut-off time for all distances up to 21.1kms. Plenty of time so relax, run/walk well and see you at the finish safely.

The 42.195km marathon distance becomes self-supported ONLY after the last half marathoner has finished. Therefore there is no cut-off time for the full marathon and finisher medals will be handed out to those runners at the pre-race briefing. The marathon runners will need to provide their Strava or the like result showing "elapsed time" not moving time to be included in the results. (this is only for those finishing after the last half marathoner has finished)

If you do need to rest or walk do so but please be aware of other runners and stay to the left.

This is not a closed course so please be aware of all other users.

Entry>>

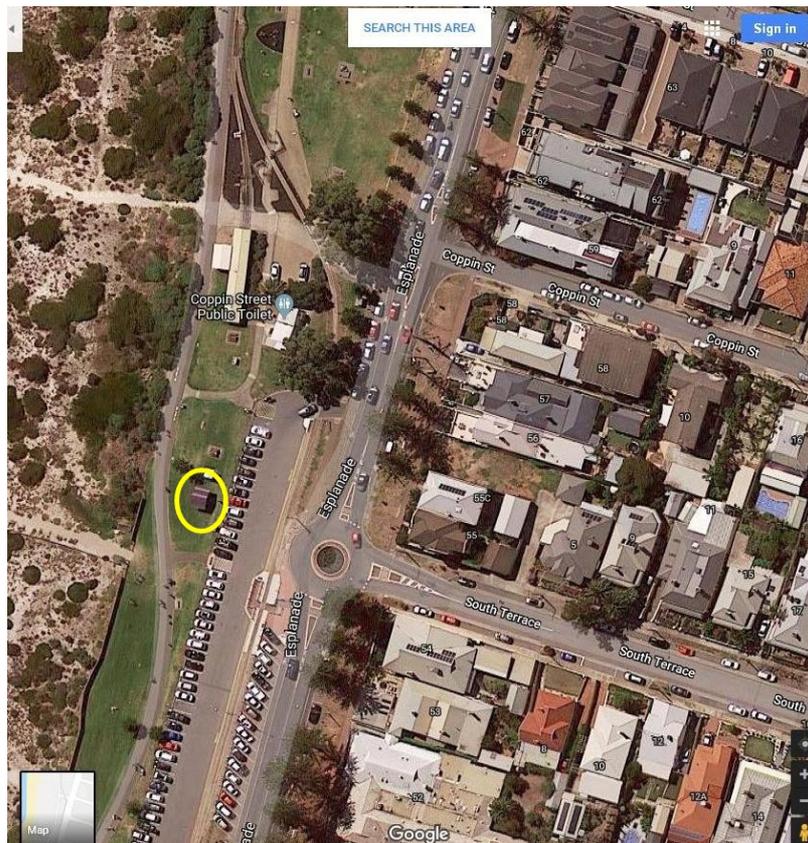

Registrations WILL close on Thurs May 5th at noon.

*****Please note registration has now been extended until Sat May 7th at 6:00pm, however all late registrations may receive a generic finisher medal.***

The Start>>

The start line and check-in has been moved from our usual Semaphore location. In future the start/finish location will be located approx 300 metres south of the existing location. This will not affect any of our current distances available. The new location is opposite South Tce Semaphore. There are toilets within metres and also an undercover area for our volunteers. (see picture).

This means the start and check-in is now located approx 200 metres SOUTH of the Semaphore Jetty.

Start/Finish

Schedule>>

Sun May 8th 2022

- **10km - 7:00am - \$20**
- **21.1km - 7:00am - \$30**
- **42.2km - 7:00am - \$35 (SELF SUPPORTED - only after the last half marathoner has finished - race bib & finisher medal handed out at start - no cut-off time)**
- **42.2km - 10:00am - \$35 (SELF SUPPORTED - race bib & finisher medal handed out at start - no cut-off time)**

ALL prices are "Earlybird" for all events (priced from \$15 - \$35 inc. race bib & finisher medal) but revert to "Standard" one week before each event CLOSING date (priced from \$20 - \$50 inc. race bib & finisher medal).

Please arrive to check-in and have your name taken and collect your bib and pins at least 30 minutes prior to your distance starting time so you're ready for the race briefing at 6:45am.

Check-in will open from 6:15am on the morning for bib collection for all runners.

Bibs will not be mailed out and need to be collected from the check-in area on the day.

Please be aware we start on time and cannot wait for any late comers. If you are late your time will be recorded from GUN time.

Race briefing AND group photo will be 15mins SHARP before the advertised start time.

Depending on numbers we may or may not stagger the start by 5 mins for each distance.

*****Just an update effective from March 1st 2021. We are very low cost, low key with a heavy focus on the fun and enjoyment of running. We continue to remain as flexible as possible with most rules and regulations, but at the same time there is a need to add the following guidelines effective immediately. To keep some level of professionalism we need to set some fixed rules in place.***

All runners must start at the scheduled start time for all distances at all events.

Any early starts are only allowable with good reason (usually volunteer duties etc) by prior arrangement with coastalfunruns at least 24 hours before the event start time.

You must also stay in the distance you nominated and registered for and cannot decide to drop back to a shorter distance or run a longer distance without prior arrangement with coastalfunruns at least 24 hours before the event start time. This ensures our medal count and bib allocation is correct for all distances and makes our volunteers work much easier including the recording of finish times as we currently use a manual timing system.

Also no deviations from the actual event course during your run/walk.

The Course>>

For the half & full marathon distance the course is a 10.55km AIMS measured loop course with the start/finish and one aid station situated in the middle. You will pass the station approximately every 5km.

The course consists of an approx 6.40km northern loop followed by a 4.15km southern loop.

You will start on the coastal walk/bike path in front of the new location (approx 200 metres south of the Semaphore Jetty) and head north and finish from the south onto the lawn.

There will NO LONGER be cones (witches hats) placed at all turn-around points. (Too many have been stolen over recent weeks). We will have white paint distance markers on the left hand side of the path at all turn around points and pink ribbons tied to the tree or post on the left hand side next to the paint markers.

The Race Director will explain in further detail the course and turn-around points for each particular distance at the race briefing.

Here is a link showing the same full marathon course used at a recent similar event.

<https://www.strava.com/activities/3043631477>

The full course gpx file is also available upon request from the email address listed below.

On the southern loop the path splits into two for a few metres on several occasions. Please take the left option both out and back as this is how the course was measured.

*****Just an updated note regarding the new Semaphore Foreshore footpath bypass around the Palais Hotel.***

Just north of the start/finish the path now directs left around the back (ocean side) of the Deck in front of the Palais Hotel.

****THIS REDIRECTION IS NOW PERMANENT FROM BOTH DIRECTIONS AS OF THURS
DEC 23 2021.**

The half marathoners will run 2 laps of the 10.55km course whilst the full marathoners will run 4 laps.

The course for the 10km will be explained on the morning at the briefing. It will run on the same above listed course but with an earlier northern turn around point for an out & back northern loop of 5.85kms. The southern loop remains the same as above.

Aid Station/Toilets/Water Taps>>

The aid station is located at the start/finish which you will pass approx every 5kms. We should provide water, powerade, coke, chips, lollies etc which will be handed out by our volunteers as you pass through the start/finish area.

Please be aware we are now cup free (a few cups will still be provided however)

There will be 600ml bottled water and also 10litre boxes of water available.

Toilets are available at the start/finish area and also about 1km both north and south.

There are also several drinking fountains and showers in each direction both north and south along the path.

Timing>>

As this is a low cost, low key event there is no timing chip but your bib and time will be recorded as you cross the finish area.

Please make sure you wear your bib on the front so it is clearly visible and easy for the volunteers to record.

When convenient please confirm you have a finish time recorded with our volunteers.

We are currently testing a new timing system so as you cross the finish line one volunteer will record your finish time with a race app and you will be handed a numbered ticket from our second volunteer. Please hand this ticket to our third volunteer who will record the ticket number against your name on the start list (this will be matched later with the race app to record your accurate finish time), and you will then receive your finisher medal.

Safety>>

Be mindful this is a shared path so please watch out for other walkers, walkers with dogs, runners, bikes, prams etc. and it is advised to keep left where possible.

Drop Bags>>

There will be an area at the start/finish under the shelter to leave your bags but please don't leave any valuables as no responsibility can be taken for them. If you need to use your own food, drinks etc. for the run you can leave them in your bags (or on the table provided near the path) to utilize on your way through the start/finish area.

MP3/iPODS>>

These devices are allowed, however please try and use only one earpiece so as you can hear other path users and instructions from marshals etc.

Finish>>

Once you have crossed the finish line on the grass please keep moving forward before collecting your medal so as to not obstruct other finishers. Before finishing please make sure your bib is CLEARLY visible on your front so as to make it easy for our volunteer timekeepers to record your bib number and time.

*****Please DO NOT CROSS THE FINISH LINE MORE THAN ONCE as this may affect our timing.***

Photos>>

We now no longer have an official event photographer (but would welcome someone willing) but hopefully we will have someone or at least our volunteers to take some photos. Please remember to smile even if you are hurting.

There will be the usual group photos for each distance (observing the 1.5m social distancing rules) before the race so please be ready when called over.

Presentation>>

There will be no award presentation for this event, however the theme trophy winner will be chosen by our volunteers and handed out at the pre race briefing.

Bibs & Medals>>

EVERY finisher of EVERY distance at EVERY event will receive a medal on crossing the finish line.

“coastalfunruns” is “THE ORIGINAL” series of annual low cost, low key community coastal fun running events held in South Australia and proudly supporting both the Australian Cancer Research Foundation (ACRF) & Bravehearts.

Our costs are probably already the lowest in Australia and will remain so as the fixed EARLYBIRD price.

We do encourage all runners/walkers to enter as early as possible to ensure a smoother event day and to assist our volunteers work load on the day.

Finisher medals and bibs need to be ordered at least one week from the event date to ensure they arrive on time. Online entries will remain open until midday 3 days before each event (unless noted otherwise).

There will be NO “on the day” late entries.

Theme>>

No theme for this event but if you have a Braverunner shirt please consider wearing it so we can create some awareness for our chosen charities.

First Place Medals>>

At this stage there are no first place medals on offer in this event for either male or female.

The event is all about participation and fun but we do however occasionally offer extra medals.

Results>>

Results will be made available as soon as possible after the event and posted at www.coastalfunruns.com

Results will be provisional and become final 3 days after posting online.

Event Parking>>

There is a large car park within metres of the start/finish area.

There is also plenty of available space with all day parking along the esplanade.

Sponsors>>

We are still currently looking for sponsors for all coastalfunruns events.

Volunteers>>

We are still in need of volunteers for this event to help with timing and handing out bibs and finisher medals. If anyone is available to take a few photos on the day please let us know.

Any other queries please call 0402 441 277

CHEERS THANKYOU AND ENJOY☺
